CONGRATULATIONS!!!

Your team has made it to the second weekend of games!

ALL Tournament Coaches:

- Check the brackets this week for any updates!
  - Yes, they could change

- Check-in 30-45 minutes before **EACH** GAME!

- YOU **MUST** have the SAME roster as the first weekend – it's got a **LIME green** cover sheet on it with the attached **paper copies** of: (BRING this with you!! Keep everything attached! NO exceptions!!!)
  - **Roster, SAFE Sport, Concussion for YOU & your ASSISTANTS**

ALSO Bring to check-in each game this weekend

- Any notes from parents with Cell # for absent players
- Reminder! NO Guest players

- Prepare a shoot-out list and bring with you – forms found on the website

- Re-Read the rules regarding Over time & Shoot Out

IMPORTANT! Managing playing time in an unsportsmanlike manner can result in forfeit of the game.

- Coaches are tasked to manage playing time so that all players could have the opportunity to play on the field for the minimum 2 quarters during all league and tournament games.
- Organize your SUBBING!

All Teams will need an Adult for Timekeeping

- Both timekeepers are to sit at the halfway mark – away from the team and work together to make sure they keep track of ALL players – BOTH teams
- NOTIFY both coaches and both referees at half time and at the end of the 3rd quarter if there are players that don't have their time in. It's YOUR responsibility to give every player enough playing time! Get playing time in for your weaker players in the first 3 quarters so you can have a strong 4th quarter! No exceptions!
- Yes, timekeepers keep track of BOTH teams

Good Luck!

- Timekeepers are not permitted to coach and are not part of your Times Two requirement.
- **BOTH** Coaches MUST sign both timesheets
    - **Winning coach returns signed timesheets to the check-in location immediately** following the game and will confirm the next game.
- Please provide your timekeeper with:
    - Stopwatch
    - Pencil / Pen
    - Clipboard
    - Chair and Umbrella – it could be wet/rainy

Check the bracket on-line before games for any changes

- Home team is the team on the top of the bracket and is responsible for resolving color conflicts, bring vests, if needed.
- Also have a game ball ready.

Review & be organized!
